

# IBÉRICA

Nacho Manzano, our Michelin-starred Executive Chef, grew up in the tiny village of La Salgar in the northern Asturias mountains, where he learnt to cook with his grandmother and mother. Under his guidance, our restaurants celebrate the spirit and style of our homeland with the finest food, the best wines, and a truly authentic experience of Spain.

BEHER Bernardo Hernández 	8 / 16
Green label jamón from Guijuelo in Salamanca, cured for over 26 months in a traditional way	
Jamón Serrano 	4 / 8
cured for 16 months, mild & low in salt	

The quality of flavour and texture of Jamón Ibérico varies by grade and is a direct result of the lifestyle, diet and breeding of the pig.

Our Jamón Ibérico is made from 100% pure-breed, black Iberian pig. These pigs mature slowly; freely-roaming the beautiful Spanish countryside, grazing in fields and acorn woods. Depending on the producer and the desired intensity of flavour, the meat is hung for as long as four years, before this excellent product is ready to eat.

## PAELLA

We serve traditional Valencian dry-style paellas, which form a crunchy base during cooking, called 'socorrat'. This dark, caramelised, crispy layer of rice on the bottom of the pan is by far the best bit of the whole paella. Be sure to scrape the bottom of the pan to mix the delicious toasted flavours into the rest of the rice before serving.

Paellas take a little longer to prepare and will arrive after your tapas.

Chicken paella 	28

Seafood paella 	32

Each paella serves 2-4 people, 2 as a main and 4 as a smaller tapas style portion.
